**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have for years used smaller ISPs that compete with big players like AT&T and Time Warner by offering better support and service. Please do not allow a few giant companies to monopolize this important service. Americans deserve access to more options, and competition among those options to actually deliver good service. Does ANY customer of these big ISPs like what they're getting?
